Hi Dominik,

I will amend your orders now, and make payment for value 27/06.

Philip,

The fund administrators advised that they would need an e-mail from yourselves authorising this late payment. Can you please ensure that they receive something?

Thanks & regards

Hi,

As per phone agreement with Philip Toup (Fairfield phone 001 212 319 60 60) Value date for dresdner should be 27.06.03 and not 25.06.03.

Could you please double check and ammend Value date?

Many thanks and best regards

Dominik Morabito
